PIPELINE PLOW RENTAL

Project Description -Shallow subsurface (6-18") pipelines can provide an effective means of watering livestock; especially in rotational grazing systems. This type of watering system can help to improve pasture utilization and protect riparian areas.

Legal Description of Project Quarter: Qtr: _____ Sec: _____ Twp: _____ Rge: _____

Project Located in R.M. of _____ Sub-District _____

Watershed: Arrow-Oak Or Assiniboine-Birdtail

CONDITIONS

The conservation district shall:

1. Determine application priorities in consultation with the Sub-District & Board.
2. Reserve the right to reasonable access to project areas for tours or to inspect the condition of the project site.
3. Transport plow to the project site.
4. Provide a shallow pipeline plow with conservation district staff during use (one staff member).

The landowner shall:

1. Provide access for inspection, survey, construction, and tours.
2. Provide the greater of \$100 per use or \$100 per day as rent for the plow and a \$100 fee if the CD transports the pipe to the project site.
3. Provide and operate a tractor capable of pulling plow.
 - i. Approximately 90 horse power
 - ii. Four hydraulic points (Pioneer Ends)
4. Supply pipe of no greater than 2.0" diameter.
5. Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter how howsoever arising as a result of the construction, operation or maintenance of the project.
6. Grant the conservation district the right to use any information related to this project for educational or promotional purposes.

General Terms and Conditions:

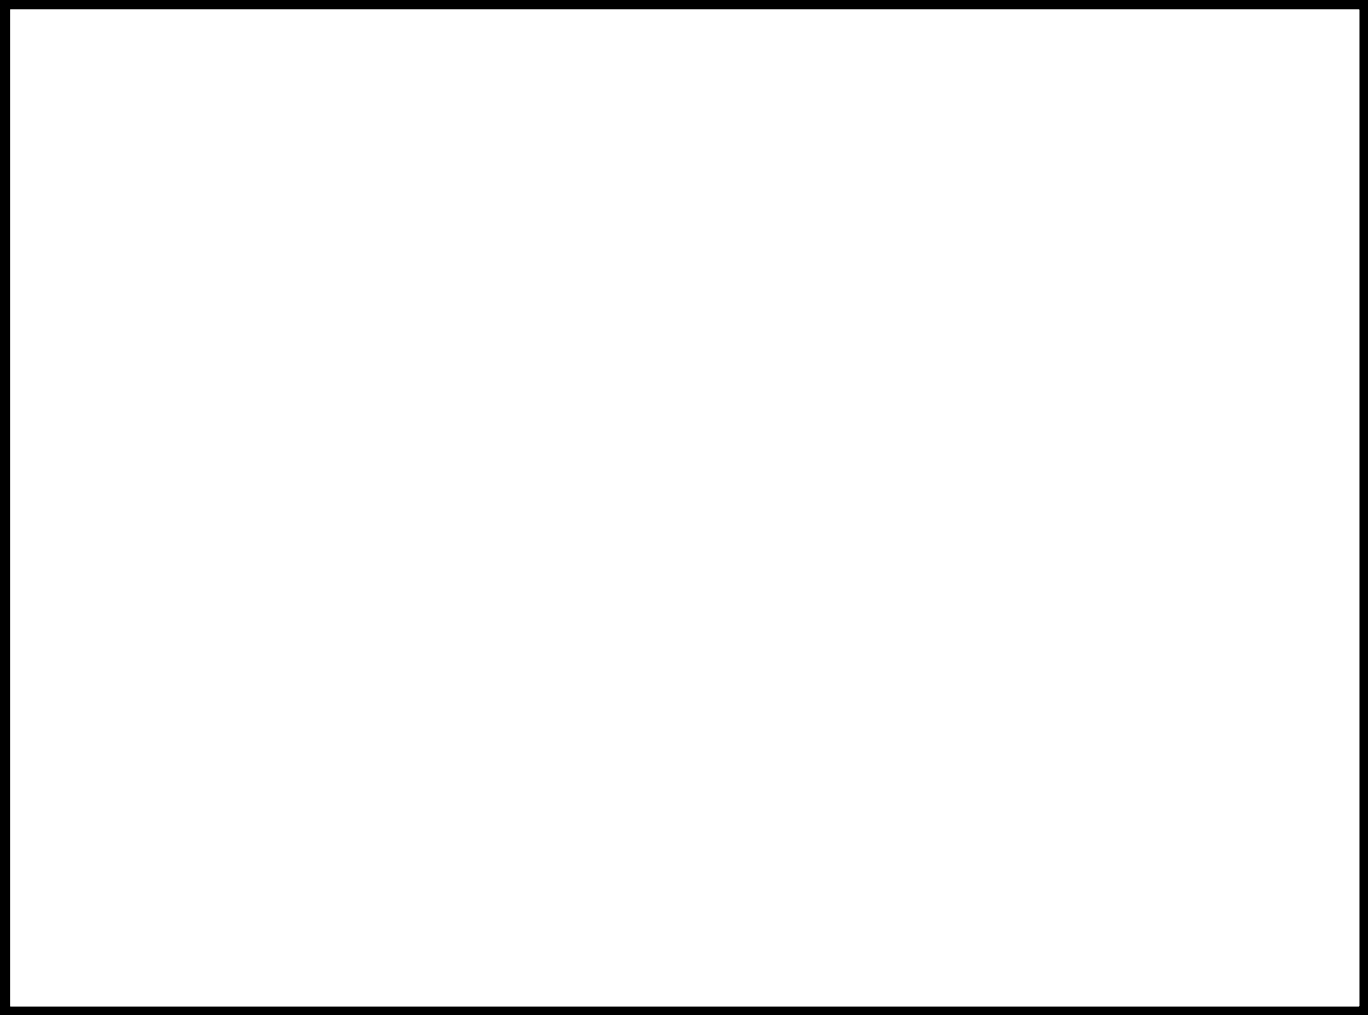

- Subject to the above terms, the agreement shall become effective and shall be binding upon both parties.
- If either party fails to meet the above mentioned responsibilities, the agreement may be terminated by the party via written notice.
- The annual projects resulting from this program will be subject to funds appropriated.
- Technical service will be subject to the availability of staff. The district reserves the right to establish priorities for providing such services and assistance.
- Failure of Landowner to meet Landowner Responsibilities may negate him/her from other Conservation District programs.

I hereby declare that I have read the conditions of this policy, and that I agree to abide by the terms of the policy. I further agree to cooperate to the fullest extent with the Conservation District Board in completing and maintaining the project as outlined.
